

# Polyx™ Baffle 50

Trademark and 2024 ©

Polyx™ Baffles are acoustic panels hang vertically on the ceiling to absorb echoes. Our polyester baffle come in a basic black and white polyester wool finish, or a luxurious coloured felt finish. We recommend hanging each Polyx™ baffle approximately 300mm away from one another for good sound absorption.

## Technical Specifications

Material	Polyester Wool
Standard Dimension	600mm x 1200mm
Standard Thickness	50mm
Eco-Friendly Test	Oeko-Tex® Standard 100
Fire-Rated Test	EN 13501-1 = Class B s1, d0
